Practice Overview

Bobby is, as described in the legal directories, a **"rising star"** who is **"staggeringly clever"** and **"noted for his advocacy capabilities and the practical approach he takes to cases."**

He has a very busy practice focusing on commercial disputes (including civil fraud – with extensive experience of freezing injunctions – and company and insolvency), pensions, and trusts appearing frequently in both the Chancery and Commercial Courts as well as in arbitrations. He has also undertaken work in a number of offshore jurisdictions.

Bobby works well both as sole counsel and when being led as a junior. He frequently appears unled in the High Court, often against silks, in high-value and complicated matters, and has also acted in a junior in numerous difficult and high-profile disputes. Bobby recognises the importance of a detailed and analytical approach, and combines this with pragmatism and tenacity.

Bobby has been recognised in the legal directories for a number of years (unusually so for someone of his call). As Chambers & Partners notes, he is **"unafraid to make difficult calls and he portrays a confidence that belies his years"**; is **"very consistent and authoritative"** in his advice; and has a **"tenacious advocacy style."** Other comments include that Bobby **"is fun to work with, super clever and incredibly responsive"**; and that **"He is a very good junior who gives very efficient and effective service, and has strong advocacy skills."**
