Practice Overview

Daniel joined Chambers in September 2019 on successful completion of his pupillage. His supervisors were [Zoë Barton](#), [Jonathan Hilliard QC](#), [James Bailey QC](#), [Fenner Moeran QC](#), [Benjamin Faulkner](#) and [Jonathan Chew](#).

During pupillage Daniel gained a broad range of experience across all of Chambers' core practice areas. Daniel was also instructed in his own right on a number of cases, including:

- Being led by [James Bailey QC](#) in a High Court trial (*Glass v Previs Ltd*). James and Daniel acted successfully for the Part 8 Claimant in obtaining a declaration as to the true construction of the defendant company's articles of association.
- Advising on various issues arising from a neighbour dispute, including the availability of injunctive relief in relation to an alleged nuisance, the existence of a piping easement by way of prescription and an alleged conflict of interest on the board of the freehold management company.
- Appearing in the County Court on behalf of a major home improvement retailer in an ongoing contractual dispute.
- Advising on the existence of a contract between a vendor and a party not named on the face of the contractual documents, and related issues in the law of agency.

Daniel accepts instructions in all of Chambers' main practice areas and is equally comfortable being instructed in his own right or as part of a larger team.

Before studying law, Daniel read History at Jesus College, Cambridge and graduated with a starred double first, coming top of his year. He was awarded numerous college and university prizes during his degree. He stayed on at Cambridge to complete an MPhil in Political Thought and Intellectual History as a Goh-Coupe postgraduate scholar at Jesus College, also representing his college on University Challenge that year.

Daniel obtained a distinction in the GDL at City, University of London and a commendation in the BPTC LLM in Legal Practice, also at City. While completing his legal studies, Daniel volunteered for the School Exclusion Project, representing the parents of children excluded from school at hearings before boards of governors and local authorities, and the Company Insolvency Pro Bono Scheme which provides representation for litigants in person appearing in the High Court's Insolvency and Companies list.

Daniel is also a Lord Bowen and Lord Denning scholar of Lincoln's Inn, and a recipient of the Hardwicke Entrance Award.
